

VILLA

34

INTRODUCTION

Talking tales of the goodness of ancient architecture, the Villa accentuates the classic vintage style.

This Villa boasts an uncommon entrance to the property. The door opens to a wide staircase that goes downward into a cozy lobby with round table which can be used for a game of chess, a coffee or to simply sip wine in the evening overlooking a beautiful view of the lush green mountains.

The Villa comes with a spacious lounge with a live fireplace, wooden flooring and antique style furniture. Architecturally distinguished from other properties in that area, the villa comprises of two beautiful bedrooms styled in earthy hues of browns and beiges and adorned in classic vintage furniture and décor pieces.

The Villa comprises of another lobby comprising of a handful of classic books to read adjoining a spacious dining room with rich wooden interiors. This Villa consists of a modern and well-equipped kitchen in contrast to its overall theme. All rooms are attached with comfortable and modern bathrooms with up-to-date luxury fittings.
